Style 168/169 - ProxCard ® Plus Card Ordering Form

Instructions

1. Select one option from each category (1-5) and mark the appropriate box.
2. Complete the Programming Information and Company Information Sections.
3. Fax the completed Ordering Guide to HID's North Haven, CT, office at 1-203-407-5967, Attn.: Customer Service.
4. HID Corporation will determine the correct part number based on the options you specify, and fax you the part number and specification sheet.
5. Place an order for the ProxCard Plus card with the part number provided by HID. *Place all orders for ProxCard Plus cards with HID's North Haven, CT office, 1-800-243-2563.*

Card Thickness: 0.047" ± 0.004" - Check with your printer manufacturer to verify card printability
- Mag Stripe applications: Verify reader slot width.

Notes:
Please call customer service for availability, minimum order requirements, and a quote for custom cards.
[1] Cards ordered with plain white front and back packaging, with no HID artwork or custom artwork, will have a small "HID" printed in the lower right-hand corner and a horizontal slot punch halo target printed on the back of the card.
[2] The external card number is ink jet printed in the lower left-hand corner on the back of the card. Zero gap numbering is not available. The external PIN numbers will be associated with the Wiegand programming unless otherwise specified.
[3] Some video imaging printers cannot accommodate pre-slot punched cards. Please consult with the printer manufacturer prior to printing.
[4] Consult customer service for vertical slot punch.
